Dear Fellow Triumph Rider,

This is an invitation letter to all Triumph owners in Southwest Florida. My name is Taylor Musburger. Together with Jeff Gallo and the fine folks at Gulf Coast Motorcycles, we are organizing a local R.A.T. (Riders Association of Triumph) Pack based out of Gulf Coast Motorcycles' Triumph of Fort Myers and would very much like you to become a member.

For those Triumph owners who are unfamiliar with R.A.T., R.A.T. is the Riders Association of Triumph, an international organization of Triumph owners. The goal of R.A.T. is to build the community of Triumph owners through local rides and social events as well as organizing multi-day R.A.T. RAIDS that are attended by R.A.T. members from around the country.

Membership to the local Gulf Coast R.A.T. is open to those that own a Hinckley or Meriden Triumph as well as those that wish they had one. Our purpose is inclusion instead of exclusion. Our goal is to represent the Triumph riders of Southwest Florida and put together a bunch of folks who love Triumphs and enjoy riding them. We will keep you up to date on the latest Triumph happenings, rides, and shows. Rides will be organized to explore the scenic and less traveled roads in our area.

In an official Triumph R.A.T. Pack, there are no officers, committees, votes, or elections. There *is* an Event Organizer designated from the sponsoring dealership. We are looking for members to volunteer their valuable time in helping to scout out ride routes/destinations. We have put together a website ([www.GCRats.com](http://www.GCRats.com)) to help centralize all information (contacts, upcoming events, past rides, and such.) Feel free to stop on by to get to know us before signing up.

So, if you're interested on meeting other riders who have "Gone their own way" and even feel that you can contribute your talents to an organization of good people, please respond via the post or email. Feel free to stop in if you haven't had the opportunity to write us, but would like to become a member, stop in and talk with Jeff at the dealership when you can.

Kind regards,

Taylor Musburger
